

## **Winged Creations Customer Agreement**

**A 50% deposit for each specimen is required before any work will proceed and should accompany the specimen. The deposit is non-refundable and covers storage, handling fees, and/or skin preparation. When your mount has been completed you will be notified by mail or phone call. You will have 30 days from the mailing or phone notification date to pick up and complete payment for your finished mount; mail notification may be regular, certified, or registered. In the event that the 30 day period expires and the mount has not been picked up and paid for, it becomes the property of Winged Creations and will be disposed of at the discretion of Winged Creations without further notification or compensation to you. No mounts will be shipped unless shipping fees and 100% payment for the mount have been received. You are responsible to update any address change with Winged Creations.**
